

Gabby's "Michigan"

Michigan by: Gabby

x I have a lot of favorite places in
x Michigan where I live. The best
x place is when we go on a trip to
x Mackinac Island which is toward
x the top of the state. It takes a
x couple hours to get there but it's
x worth it. You can go to the island
x by boat because there are no cars
x allowed on the island. My brother
x and me usually get lots of fudge
x to eat. I also like to go to Metro
x Beach with my cousins. We can ride
x our bikes there and go swimming in
x the lake when it's hot out. One time
x we also went to the Henry Ford
x museum during the summer. There

are things there like old cars and
other things from history. But, my
favorite place is Mackinac Island
because we get to stay in a hotel and
you can ride your bike around the
entire island in one afternoon. Mackinac
Island is so cool! That's why it's my
favorite place in Michigan.
